Simple Resolution No. 111.

Senator Woodward sent up the following resolution:

Whereas, on March 20, 1931, the Hon. Geo. H. Sheppard, State Comptroller, in an unofficial statement, disclosed the fact that certain principal and interest on securities held by the permanent school fund were delinquent, the amounts being past due aggregating \$570 438.27; and,

Whereas, said report is hereto attached and made apart hereof.

Now Therefore Be It Resolved that the attention of the Attorney General is hereby called to the condition as disclosed by said report and that he be requested ot make official investi-

gation into the matters and things as herein disclosed, with the request that he take such action as may be necessary to bring about the collection thereof, to the end that the available school fund may be benefited to the extent thereof.

WOODWARD.

Comptroller's Department,

Austin, Texas March 20, 1931.

Senator Martin C. Woodward,

Senate Chamber,

On our recent audit of the Treasury Department we found the sum of \$280,415.66, past due interest, and the sum of \$290,022.61, past due principal on bonds held by the Permanent School Fund. a list of which is hereto attached, and I feel that it is my duty to call your attention to this matter for the reason that if these amounts due were converted into cash, it would help the Available School Fund materially.

If it is the duty of the Comptroller's Department to look after the collection of all bonds and interest, I think it should be definitely delegated with power to do so. Article 2671, R. C. S. 1925, seems to place this responsibility upon the State Board. This Department now has complete control account of all bonds and securities and we are setting up charges for the principal and interest.

Very truly yours,

GEORGE SHEPPARD,

State Comptroller of Public Accounts.
